OPINION & ORDER

RONNIE ABRAMS, United States District Judge:

Having considered the materials submitted in connection with Defendants' pending motions for summary judgment, the Court believes that a settlement conference could be productive in this case. No later than April 4, 2025, the parties are hereby ordered to reach out to Magistrate Judge Aaron, to whom this case was previously referred for pretrial matters, to schedule a settlement conference. Within two days of such conference, the parties are directed to file a joint letter advising the Court of whether settlement was reached. This action shall be stayed pending the outcome of the settlement conference.

SO ORDERED.
